Dear <<salutation>>,

All Good Things Must Come to an End

I was first elected as a Borough Councillor in 1981 as one of three who represented Grovehill in Hemel Hempstead. Apart from two breaks, one of 8 and one of 4 years, I've been a Dacorum Borough Councillor right through and now represent Tring West & Rural Ward with another 3 years to serve. Though no longer a member of Tring Town Council, I was for over 20 years and served as Town Mayor twice - a huge honour and a great pleasure both times. And if that isn't enough, I've also served as the Hertfordshire County Councillor for Tring and the Villages for 15 years so far!

So with my 75th birthday looming it's only sensible to say 'Thank You' to the people of Tring for having put so much of their trust in me for so long - and to make way for the next generation.

But of course, although I will not be standing again for elected office in Tring, I hope to continue working as hard as before for the remaining year of my County Council tenure and three years as a Dacorum Councillor. Business as usual until then, and there's plenty more to be done.

The local Liberal Democrats have selected **Sally Symington** to be our candidate for Tring and the Villages in the County Council Elections scheduled for Thursday, May 6th, 2021.

Sally Symington has the Experience and Ability to speak up for you at County Hall.

I whole-heartedly endorse Sally and have no hesitation in recommending her as an energetic and capable person well able to effectively represent you and all the people in Tring and the Villages at County Hall.

Please read what she has to say on the page overleaf.

With best wishes,

Nick Hollinghurst

Dear Friend,

I'm delighted and privileged to have been selected to stand for the Liberal Democrats at the county council elections next May when my colleague and your long-standing County Councillor, Nick Hollinghurst, stands down after 16 years. Nick has worked tirelessly to represent local residents and ensure that Hertfordshire is a fairer, greener and healthier place to live. If I am elected to be your next representative at County Hall, I promise to carry on his excellent work to the highest standard.

The global pandemic has highlighted the need for strong local government, transparent democratic processes and active community representation. There is much work to be done to find solutions to the crisis in adult social care and the pressure on schools, whilst rebuilding our communities to face the imminent challenges of climate change and a rebalanced economy. By focusing on local issues, promoting active travel in the form of cycling and walking, reducing speed limits in towns to 20 mph and facilitating new enterprises we can build back better for future generations.

I bring a wealth of experience of local government. I am currently a Dacorum Borough Councillor and have served previously as Chair of a parish council. I have also stood twice for parliament, for the Hemel Hempstead constituency in 2017 and for South West Herts in 2019. I grew up in Hertfordshire and was educated at Hitchin Girls School. Following a career as a finance professional in London, I returned in 1997 to take a career break to raise my four children. Since then, I have achieved an MSc in Public Policy and have worked in the charity and voluntary sectors. I currently volunteer as a befriender with Herts Help.

Please do take a moment to complete the attached highways survey. It will help us understand how best to promote the wishes of residents in shaping future transport policy. If you would like to contact me, please email me or phone using the contact details above. I look forward to hearing from you.

Best wishes,

Sally Symington

Fairer, greener, healthier: a better Hertfordshire
